

Caitlin H. Porada
Senior Vice President–Utility Financial Management

Caitlin Porada is senior vice president–Utility Financial Management. Porada is responsible for the oversight of the financial functions for Dominion Energy’s utility companies.

Porada joined Dominion Energy in 2007 as an intern and began a full-time assignment in 2008 as an associate financial analyst.

In 2011, she became a customer projects designer in Power Delivery. Porada joined Corporate Financial Analysis and Planning in 2012 and was promoted to manager–Financial and Business Services in 2015, supporting the Gas Infrastructure Group, and transitioned to Dominion Energy Services in 2018. In 2019, she was promoted to director–Financial and Business Services.

In 2022, she became vice president–Financial Management, Dominion Energy Services and Contracted Assets. In 2024, she became vice president–Corporate Planning and Financial Analysis, and was then named senior vice president–Segment Planning (Regulated) in 2026. Porada assumed her current role in October 2026.

She currently serves on the board of directors of Feed More and FIRST Chesapeake Robotics. She also serves on the Supervisory Committee of the Dominion Energy Credit Union. Previously, Porada served on the board of directors for the Visual Arts Center of Richmond.

Porada received her bachelor’s degree in finance from Longwood University and her MBA from the University of Richmond.
