

Preliminary Information for Review Purposes Only: Route Alternatives as of May 16, 2022

South Hill 230 kV Project

Dominion Energy Virginia

Current Transmission Route Alternatives

- Eastern Solution, Route Alternative 1
- Eastern Solution, Route Alternative 1 Variation
- Eastern Solution, Route Alternative 2
- Northern Solution, Route Alternative 1
- Northern Solution, Route Alternative 2
- Substation Interconnect
- Existing Dominion Transmission Line
- State Owned Land
- County Owned Land
- City Owned Land
- VA DHR Easement
- VA DOF Easement
- VOF Easement
- Existing Dominion Substation
- Proposed Dominion Substation

REVISED: 05/16/2022
