( family is in the kitchen. mom is using a mixer to prepare food. dad is putting away the dishes from the dishwasher. daughter runs into the room and hugs mom's leg. )

You have a lot going on in your daily routine. Whether it's work ( mom sits in her office, typing at her computer ), keeping up with your kids schedules ( family leaves the front door with a child in a karate uniform ), grocery shopping ( mom places two grocery bags on kitchen counter ), or simply checking off the items on that long to-do list. The last thing you want to do is take care of that stack of bills that's been piling up ( mom sits down at a table full of mail in a dark dining room ). eBill makes your life easier it enables you to receive your bill online while keeping your preferred method of payment. So what does that mean to you? 24/7 online access to view, pay, or print your bill. 18 months of bill history stored online. Email notifications when your bill is ready to view.
