Local Power Line Project Information

Chase City to Cloud 230 kV Electric Transmission Project

Use your iPhone camera or the QR reader app on other smartphones to visit the project page on our website.

AT DOMINION ENERGY, we are committed to continually reviewing and analyzing our energy infrastructure to provide safe, reliable, and affordable electricity to our neighbors. You are receiving this postcard because we are preparing to build an electric transmission line between our Chase City and Cloud substations in Mecklenburg County, Virginia. We would like to invite you to a virtual community meeting to learn more about the project and meet our team.

This project runs along a 15-mile corridor. We are upgrading the existing 115 kilovolt (kV) line to a 230 kilovolt (kV) line to comply with mandatory standards and maintain electric reliability for our customers. Work will primarily take place in existing rights-of-way and will involve the clearing of some trees. Your electric service is not expected to be impacted as a result of this project.

In addition, we want to inform you that we remain committed to safety and will adhere to proper social distancing guidelines.

We are dedicated to working safely and courteously in your community and we will continue to keep you updated as activities progress.

CONTACT US

Visit our website at [DominionEnergy.com/chasecity](https://www.dominionenergy.com/chasecity) for project updates. Or contact us by calling 888-291-0190 or sending an email to powerline@dominionenergy.com.

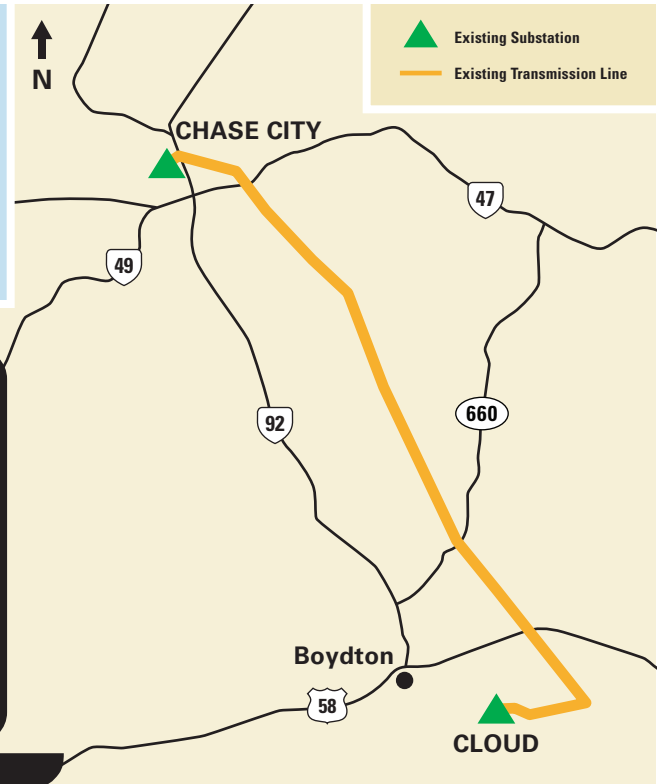

At Dominion Energy, we know many of our customers are facing challenges due to the COVID-19 pandemic. We're here to help. In accordance with the law recently passed in Virginia, we're offering payment plans between 6 and 24 months. To set up a payment plan, or view additional assistance options, please visit [DominionEnergy.com](https://www.dominionenergy.com) or call 1-866-366-4357.

VIRTUAL COMMUNITY MEETING

Live Via Webex Events
Tuesday, May 25, 2021 • 5 – 6 p.m.

First 20 minutes will be a project overview presentation.

Visit [DominionEnergy.com/chasecity](https://www.dominionenergy.com/chasecity) for more information.

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.
