

**Dominion
Energy®**

We invite you to attend our Open House to learn more about this project and to have your questions answered!

Dominion Energy will host an Open House to inform the community of the Unity Substation Project. There will be no formal presentation.

However, team members will be available to answer your questions. Please stop by at your convenience. This project is part of the South Hill Electric Transmission Lines and Substations Project.

Please mark your calendars:

Kenbridge Town Hall
