**Subject: Application for Preliminary Permit  
Tazewell Hybrid Energy Center**

Dear Secretary Bose:

Pursuant to 18 CFR §§4.32 and 4.81 of the Federal Energy Regulatory Commission's (FERC or Commission) regulations, enclosed is Virginia Electric and Power Company DBA Dominion Energy Virginia's (Applicant or Dominion Energy Virginia) Application for Preliminary Permit. The potential Tazewell Hybrid Energy Center (Project) will be located approximately 1.0 miles southwest of the Town of Bluefield, Virginia, on Oneida Branch and West Fork Cove Creek in Tazewell County, Virginia. Dominion Energy Virginia will continue to evaluate the Project under the terms of this preliminary permit.

The Applicant is submitting this application in order to secure and maintain priority of application for the license while undertaking activities to determine the feasibility of the Project and support an application for license. We look forward to working with the Commission as we pursue this opportunity. If you have any questions regarding this submittal, please contact the undersigned at (804) 273-4543.

Sincerely,

A handwritten signature in blue ink that reads "Mark D. Mitchell".

Mark D. Mitchell  
VP – Generation Construction  
Dominion Energy Virginia
