

Schedule 1P

RESIDENTIAL SERVICE

---

I. APPLICABILITY AND AVAILABILITY

This schedule is available only to Customers who elect to receive Electricity Supply Service and Electric Delivery Service from the Company and who have received service under this schedule or who have applied for service under this schedule prior to November 12, 1986. This schedule is closed to all other Customers as of May 16, 1986. A Customer served under this schedule prior to its closing may continue being served under this schedule until the Customer requests another schedule.

This schedule is applicable to separately metered and billed supply of alternating current electricity to any Customer for use in and about (a) a single-family residence, flat or apartment, (b) a combination farm and one occupied single-family residence, flat or apartment, or (c) a private residence used as a boarding and/or rooming house with no more than one cooking installation nor more than ten bedrooms, or (d) separately metered service to detached accessory buildings appurtenant to residential dwellings unless such buildings use electricity for commercial or industrial purposes.

A combination residence and farm, having more than one single-family residence, flat or apartment served electricity through a single meter, that was being billed under Schedule 1 prior to April 1, 1971, may be supplied electricity under this schedule provided each such dwelling unit is occupied by the owner or by a tenant working on the farm. Such multiple-residence farms connected on and after April 1, 1971, shall not be served under this schedule.

This schedule is not applicable for (a) individual motors rated over 15 HP, and (b) commercial use as in hotels, public inns, motels, auto courts, tourist courts, tourist camps, or trailer camps.
