

KANNAPOLIS TO CONCORD SYSTEM EXPANSION PROJECT

PROJECT DESCRIPTION

As a result of increasing demand for natural gas in the area, Dominion Energy will expand its system by installing a natural gas pipeline from Enochville to Concord beginning in 2024. Once in-service, the pipeline will provide the additional natural gas supply and system flexibility needed to deliver safe and reliable service to homes and businesses as this area continues to grow. To minimize impacts to the community and environment, the pipeline will be built along existing public rights-of-way.

FAQS

Q: Will work impact traffic?

A: As construction will occur mainly on road shoulders, there will be some traffic disruption on several sections along the route. Traffic control specialists and devices will be present to help motorists travel safely in the areas impacted.

Q: What are the environmental benefits of this project?

A: The community will benefit from projects like this in the short-term to meet growth in the area with affordable and cleaner-burning natural gas, but also in the long-term as Dominion Energy works toward net zero emissions.

Q: Will natural gas be available after the completion of the project?

A: Those interested in natural gas service for their home or business can contact Jeff Sellers at 704-574-3120.

PROPOSED PROJECT TIMELINE

2022-2023: Final design and permitting

2024: Rowan County phase of construction

2024-2025: Cabarrus County phase of construction

2025: In-service and clean-up and restoration

Safety Benefits

Monitored 24 hours a day, 7 days a week, using sophisticated computer and telecommunications equipment at Dominion Energy's gas control centers.

Community Benefits

Increase energy efficiency, overall comfort and lower heating costs for consumers.

Environmental Benefits

Clean, reliable natural gas supports a cleaner energy future.

Economic Benefits

Supports residential, commercial and industrial growth.
