

Home Energy Check-up

Sign up for a FREE Home Energy Check-up.

Our Energy Expert will show you how to improve the energy efficiency of your home through the convenience of an in-home consultation, video chat or telephone call. Includes a customized report specific to your home and information on how to access our online tools and resources.

Eligible customers may receive energy-saving products (installed and free of charge) to include*:

- LED Bulbs
- Kitchen Faucet Aerator
- Water Heater Tank Wrap
- Water Heater Pipe Insulation

Home Energy Check-up is highly recommended for homes 10 years and older and is available to homeowners and renters.

**Installed products are not guaranteed and may vary depending on recommendations of the Energy Expert.*

Heating & Cooling New Equipment Rebates

If your heating and cooling equipment fails, we can help!*

***IMPORTANT NOTE:** EnergyWise programs are available to Dominion Energy South Carolina residential electric customers. See website for eligibility requirements and restrictions, including Terms and Conditions where applicable.

Appliance Recycling

Get \$50 cash back and FREE pickup.

Recycle your old, secondary refrigerator or freezer and save up to \$110 annually on your electric bill. Limit of two rebates (total value of \$100) per customer address per year. A partner with EPA's Responsible Appliance Disposal Program.

Call or go online between 10/01/22 and 11/30/22 to schedule your FREE pickup and be automatically entered to win a \$250 Home Depot Gift Card. See website for further details, including Contest Rules.

To support removing old, inefficient appliances from the grid, refrigerators and freezers must be full-sized and in working condition (the compressor should still be humming and the unit should still be cooling).
