

Dominion Energy South Carolina Storm Emergency Kit Checklist

As you and your family prepare for a storm, put together an emergency kit of items you may need during a power outage. Some recommended items to include in an emergency kit are:

- Batter-powered radio
- Flashlights for everyone in the family
- Battery-operated lantern and extra fresh batteries
- First aid kit
- Disposable plates and utensils
- Non-electric can opener
- Blankets
- Bottled water and an adequate supply of non-perishable food
- Corded telephone (cordless phone won't work if the power is out) or cell phone.
- List of emergency phone numbers including our customer service line to report an outage toll-free at 1-888-333-4465.
