

Directions to Dominion Energy's Millstone Power Station in Waterford, CT

Millstone Nuclear Power Station

Millstone Station

Street Address:

Rope Ferry Road (Route 156)
Waterford, CT 06385

For all sets of directions (from Millstone Access Road to Simulator Foyer conference room):

1. After turning onto the Access Road for Millstone Station, merge into the right lane and follow the road until you reach the first security stop.
2. Turn right and go straight (Lane #4/Contractor In-processing lane).
3. Drive toward building and park in any available spot in the top parking lot. (You will not go through security).
4. Enter the Simulator building's front entrance via the stone-lined walkway.
5. The meeting will be held in the Simulator Foyer.

TRAVELING SOUTH (from Central CT) (Two methods):

Directions from Hartford:
