

SHARED FACILITIES

(Revised June 1, 2017)

Pursuant to FERC's Standards of Conduct issued on October 16, 2008 in Docket No. RM07-01 (Order No. 717) and §358.7(e)(2) of the Commission's Regulations, Dominion Energy hereby posts a complete list of the employee-staffed facilities (excluding facilities where individuals do not typically transact business) shared by any of the Transmission Provider's¹ Transmission Function Employees and Marketing Function Employees.

Dominion Energy Transmission Function Employees share primary work locations with Marketing Function Employees at the following building location(s):

Innsbrook
5000 Dominion Boulevard
Glen Allen, VA 23060

Dominion Energy's Transmission Providers share computer systems and phone systems with their Affiliates. All Dominion Energy, Inc. entities have access to common system applications and the common phone system. Each entity's and each individual's access is restricted by password protection. Dominion Energy will continue to maintain protections that ensure Marketing Function Employees do not have access to any databases or operating systems that contain non-affiliated shipper or non-public transmission information.

¹ Dominion Energy's Transmission Providers include Dominion Energy Transmission, Inc. (DETI), Dominion Cove Point LNG, LP (Cove Point), Dominion Energy Carolina Gas Transmission, LLC (DECG), Dominion Energy Questar Pipeline, LLC (Dominion Energy Questar Pipeline), Questar Southern Trails Pipeline Company (QSTP), Dominion Energy Overthrust Pipeline, LLC (Overthrust) and Dominion Energy Virginia/North Carolina – Electric Transmission
