

Paul D. Koonce
Executive Vice President and President and CEO—Power Generation Group

Paul D. Koonce is executive vice president and president and chief executive officer of the Power Generation Group.

He oversees more than 27,000 megawatts of regulated and merchant generation operations.

Koonce, who has more than 35 years' experience in the energy marketplace, was chief executive officer of the company's Dominion Energy Infrastructure Group and president—Dominion Virginia Power. Previously, he held management positions as CEO—Dominion Virginia Power and CEO—Dominion Energy, with responsibilities including capital allocation, customer care management and commodity optimization. He assumed his current post in January 2016.

Koonce serves as Vice Chair and Executive Committee member of the Nuclear Energy Institute, and on the Board of the Nuclear Electric Insurance Ltd. He is a member of the board of visitors of Virginia State University, the board of trustees of the Jamestown-Yorktown Foundation (and the 2019 Commemorative), and the board of directors for the Virginia Business Higher Ed Council. He is past Chairman of the Interstate Natural Gas Association and the Southern Gas Association.

Koonce is a 1982 graduate of the University of Tennessee-Knoxville, with a bachelor's degree in business.
