

Service Requirements for Residential Single-Family Homes

After your initial request, Dominion Energy Virginia will contact you about the work request. The following are types of information we may need to provide you timely service. Other requirements may need to be satisfied prior to service completion. You will be notified of these requirements by your Dominion Energy Virginia contact.

Point of contact information (builder, electrician, other):

- Name
- Mailing address
- Phone number

Meter service will be established in the name(s) of:

- Name
- Service address
- Mailing address (if different from service address)
- Phone number

Load:

- Heat type
- Square footage
- Tonnage of A/C or heat pump
- Water heater type
- Amperage of service

Negotiated meter base location (coordinate with Dominion Energy Virginia; Dominion Energy Virginia has final approval).

Special Conditions (information about future pools, garages, drain fields, etc.)

Location of private lines (water, sewer - existing and proposed).

Requested completion date (electrical inspection must be received in order to set the meter).

Is temporary service required?
