The Virginia State Corporate Commission approval period for this program is expiring. If your project has an estimated rebate amount of \$10,000 or more, an initial assessment must have been submitted by October 26, 2018 and received approval before any work can be initiated. In no case will projects be rebated without a confirmation from Honeywell. To be eligible for a rebate, all projects must be completed with a participating contractor by December 28, 2018 with rebate applications submitted online or postmarked by February 11, 2019. It is the responsibility of the customer to ensure all rebate requirements are met for the rebate to be successfully processed. For questions, please call 1-888-366-8280.

Dominion Energy Virginia Terms and Conditions

1. Service must be performed after June 1, 2014.
2. Customer is eligible for more than one rebate per location during the program time period.
3. Work must be completed by a participating contractor that is in Dominion Energy's network when the work begins.
4. All work with an estimated rebate amount of \$10,000 or more requires an initial assessment before the work can be initiated by a participating contractor.
5. Rebate application must be submitted within 45 days of the service date.
6. Program participant must be a Dominion Energy Virginia non-residential customer who is not exempt by statute, not under special contract, has not elected to opt-out of paying the DSM rider, is responsible for the electric bill, and is the owner of the facility or reasonably able to secure permission to complete measures.
7. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of service.
8. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to program funds being available and regulatory approval.
9. Dominion Energy Virginia and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Denial of such verification or misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
10. Payment will be issued to the account holder and mailing address on record with the utility unless the customer has authorized payment to be made to the contractor specified in this document.
11. Please allow up to 90 days from the date all required information is received to process your rebate.
12. Service must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
13. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
14. Dominion Energy Virginia, its parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
15. The customer hereby agrees to indemnify, defend and hold harmless Dominion Energy Virginia, its parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
16. I understand that I may be contacted by Dominion Energy Virginia via survey or questionnaire to provide feedback on my satisfaction with the program.
17. Virginia Electric and Power Company (the "Company") retains all rights to energy and demand savings resulting from measures installed under this Program for a maximum of four years. The Company has the exclusive right to enroll, nominate, or offer a bid for energy or demand reductions resulting from measures installed under this Program into load management programs, demand response programs, or auctions operated by PJM Interconnection, L.L.C. ("PJM"), the regional electric transmission entity of which the Company is a member. The Company may share pertinent information of participating customers with PJM and with the Company's agents and contractors. Pertinent customer information includes, but is not limited to, account holder name, account number, energy usage and billing information, address, other contact information, measures installed, period of installation, demand/energy reductions resulting from measures installed under this Program and the technical basis for such reductions, loss factors, coincidence factors, interactive factors, building type and other information necessary to implement and monitor the Program including other information as required by PJM.

By signing this application, I agree to the above terms and conditions. I certify that I am the Dominion Energy Virginia customer and owner or lessee of the business described above, and that I am authorized to take action on the Dominion Energy account listed above.
